## Pay by Wire Transfer

NC State University has partnered with Flywire to offer students an innovative and streamlined way to make international tuition payments. Through Flywire, students can pay with their home currency (in most cases), and payments are posted more quickly. Students are notified via email when payment is received.

### International Students

To begin payment process, go to [ncsu.flywire.com](https://ncsu.flywire.com) and follow these steps:

- › Select the country from which funds will be coming and the payment amount (in U.S. dollars) you wish to make to your student bill.
- › In most cases, the U.S. dollar amount will be converted into your home currency at preferential exchange rates.
- › After providing some additional basic information, you will book the transaction and will be instructed via email on how to pay Flywire from your home country bank account.
- › Flywire will then forward the U.S. dollar amount to NC State University where it will be directly credited to your student billing account.
- › You will receive an email to confirm receipt of payment.
- › At any time, a customer service team is available via chat, Skype, email and phone to answer any of your questions.
